

Dear Investor,
Greetings of the day!

ADVANTAGES OF ESTATE PLANNING

1. Good estate planning will make sure that your family is provided for and not left in financial ruin once you're gone^¾.
2. Keep your minor children out of disputes.
3. Get property to your loved one's quickly.
4. Minimize your probate^¾ Expenses (Without an estate plan court are forced to handle everything, the distribution of your property, the guardianship of your children, the dissolution of your business etc., have to meet all these expenses)
5. Save your family from the difficult decisions like your spouse care after you're gone.
6. Reduce taxes (There are numerous tax reduction strategies that you can use to keep as much money in the hands of your family as possible.).
7. Make Retirement easier.
8. Plan for Incapacity (Estate planning is not just for about death^¾. It's common for people to become incapacitated by an accident or sudden medical episode like a stroke that leaves them unable to manage their financial affairs . At that point of time a power attorney will manage and save your family a lot of time and money.
9. Make sure your Business Runs Smoothly.
10. Estate planning can create a Legacy and keep your assets safe^¾ for your family.
11. The estate plan will provide enough money for your family surviving spouse to continue to care for the family. If both you and your spouse pass, an estate plan will name appointed guardians ♂ to care for your family
12. Your estate plan will outline exactly where assets are to go in the event of your death^¾. This question to be resolved by the court^¾ or cause for family discord.
13. If you passionate about a local cause charitable organization , an estate plan allow you to support them.
14. Do you have child who has a disability or perhaps you have grandchildren who has attending college in future? Through your estate plan, you can set up a special trust to provide funds to support them.

We can Help you with all of these.
